

To whom it may concern

We are a training provider that specialises in courses for the veterinary industry and we fully support the CQ Diploma in Animal Nursing.

We believe that this qualification:

- will give the learners knowledge and skills to work safely and competently
- will allow learners to grow as individuals and give them the chance to learn life skills essential for working in veterinary practice and other similar workplaces
- meets the needs of the industry
- will provide progression onto other qualifications such as veterinary nursing, employment or higher education.
