To whom it may concern,

As a group that trains veterinary nurses/veterinary nursing assistants we fully support the following qualifications:

- CQ Level 2 Diploma for Veterinary Nursing Assistants
- CQ Level 2 Diploma for Veterinary Nursing Assistants – Small Animal
- CQ Level 3 Diploma for Veterinary Nursing Small Animal Practice
- CQ Level 3 Diploma for Veterinary Nursing Equine Practice

We believe that these qualifications:

- will give learners knowledge and skills necessary to work safely and competently
- will allow learners to grow as individuals and give them the chance to learn life skills essential for working in a veterinary practice environment and other similar workplaces
- meet the needs of the industry
- are suitable for the age category 16+
- will provide a progression onto other qualifications or employment

Yours Sincerely,

Sarah Cottingham

We believe this is particularly useful whilst we are currently struggling to find RVN's to have better quality of training and skill set for our support staff in clinical practice.

Kind regards,
Gemma
