To whom it may concern

As a large group employer that trains veterinary nurses, we fully support the CQ Level 3 Diploma in Equine Practice - Top Up qualification.

We believe that this qualification:

- will give learners knowledge and skills necessary to work safely and competently;
- will allow learners to grow as individuals and give them the chance to learn life skills essential for working in an equine veterinary practice environment or other similar workplace;
- meets the needs of the industry;
- is suitable for the age category 16+;
- will provide a progression onto other qualifications or employment.

Please do not hesitate to contact me if you would like to discuss this further.

Kind regards
