

To whom it may concern

As a practice that trains and employs veterinary nurse assistants, we fully support the following qualifications offered by Central Qualifications:

- CQ Level 2 Safe Use of Medication for Small Animal

We believe that this course:

- o will allow learners to grow as individuals and give them the chance to learn skills to enhance their role in practice and the support they provide to the RVN.
- o Will allow learners to develop their knowledge and confidence in medications and safe management of the pharmacy.
- o meet the needs of the industry.
- o are suitable for the age category 16+
